

## CLINICAL AUDIOLOGIST

The Center for Hearing & Speech is seeking a full-time clinical audiologist.

Be part of a tight-knit staff focused on the care and well-being of our patients and dedicated to our mission of serving anyone regardless of their ability to pay. We believe the ability to hear and communicate should not be restricted by a person's income level; everyone deserves the ability to interact with the world.

The Center is a St. Louis based non-profit organization dedicated to providing treatment for communication disorders throughout the region. For 97 years, the Center has provided area residents with high-quality audiology and speech-language services.

Our audiologists provide care in our main out-patient facility in suburban Rock Hill in St. Louis County as well as a satellite clinic in north St. Louis City.

**Reports to:** Chief Clinical Audiologist

### EDUCATIONAL REQUIREMENTS:

- Master's Degree in Audiology or AuD
  - o CCC/A in good standing
  - o Missouri State License in Audiology

### ESSENTIAL RESPONSIBILITIES:

- Evaluate hearing sensitivity and acuity using appropriate test procedures
- Provide management, consultation and follow-up recommendations for clients demonstrating disorders/impairments in hearing
- Select, order and fit clients with the appropriate earmold(s), hearing aid(s) and/or hearing assistive technology
- Serve as a consultant/audiogram reviewer for hearing-related health activities of this agency, including industrial hearing conservation services and school screening services
- Serve as consultant to other clinical staff members (including student clinicians)
- Serve as a consultant for the professional referral community
- Participate in local health fairs and community education projects
- Participate in all aspects of program development to ensure the highest quality of service delivery
- Produce written reports on all clinical encounters within one week of appointment
- Assist with ordering department supplies and handling hearing aid repairs
- In cooperation with other personnel, maintain communication and help manage accounts with hearing aid manufacturers and earmold labs
- Routinely check and maintain clinical equipment

### ADDITIONAL INFORMATION:

**Work Schedule:** 8 a.m. to 5 p.m. Monday - Friday

**Rotating Shifts:** No

**On Call:** No

**Required to work weekends and holidays:** 1-2 Saturdays per year
