Audiologist – Heuser Hearing Institute, Louisville, KY – Full or Part-Time!

Heuser Hearing Institute seeks a community focused audiologist or licensed hearing aid dispenser to join our team. Primary duties will include: audiometric evaluation, diagnostics-based hearing aid fitting, and implementation of aided and un-aided testing procedures designed to approximate complex listening situations in everyday communication. Additional opportunities in research or clinical care at Heuser Hearing Institute may also be available.

Heuser Hearing Institute proudly offers competitive pay and comprehensive benefits package, which includes health insurance, life insurance, long term disability, paid vacation, paid sick time, paid holidays and 401k.

The ideal applicant will have had previous experience in fitting and dispensing for adult amplification. Candidates must be an Au.D. level, or highly experienced Master’s level audiologist. Licensed Hearing Aid Dispensers will also be considered. Must be licensed to practice in Kentucky, or be able to obtain appropriate Kentucky licensure.

Heuser Hearing Institute is a multi-specialty nonprofit campus that promotes the needs of children and adults with disorders of hearing and balance. Heuser Hearing Institute began in 1948 as the Louisville Deaf Oral School, and today serves Louisville and the surrounding region with an expanded mission that includes education, clinical care, and research components.
