Pacific Hearing Service, a well-established private practice in the San Francisco Bay Area, is seeking an Au.D. to join our team in Menlo Park, California.

The successful candidate will be:

- Technically proficient
- Compassionate
- Able to learn and adapt to new technologies
- Committed to best practices
- A team player who can also work independently

We have served the San Francisco Peninsula and South Bay for 40 years and have grown into the premier private practice in the area. We offer generous compensation, health & dental insurance and a 401(k) program.

To learn more about us, please visit our website at [pacifichearingsservice.com](http://pacifichearingsservice.com). We are a member of the Entheos Audiology Cooperative ([entheoshearing.com](http://entheoshearing.com)), which is dedicated to best practices and to making a positive contribution to the community, both locally and globally.

Here's what Rachel Otto, Au.D., Northwestern University 2015, has to say about coming to Pacific Hearing Service as a new Au.D.:

*Joining Pacific Hearing Service after graduating from my Au.D. program was the best career decision I could have made. Every day I feel lucky that I found this special group of people who truly care about their patients as well as their employees. New ideas and perspectives are welcomed and the audiologists are regularly granted opportunities to participate in continuing education and training sessions.*

*Everything we do is focused on best practices. Pacific Hearing Service's association with Entheos Audiology Cooperative really adds to the employment experience and demonstrates the co-owners' dedication to helping others, including those who don't have access to audiology care, both locally and internationally.*
