

Clinical Audiologist

Glacier Ear Nose & Throat - Kalispell, MT

We are excited to announce that Glacier Ear, Nose and Throat – Head and Neck Surgery, P.C. in Kalispell, Montana is experiencing continued growth. We are seeking a second full-time clinical Audiologist to serve our wonderful community in beautiful Northwest Montana. This is an excellent opportunity to apply your skills in diagnostic audiology and hearing aid services.

Successful candidates must have either an AuD or an M.S. in Audiology and be proficient in a full range of audiology assessment and treatment skills. This skilled and caring audiologist will also service and dispense hearing instruments. You will work autonomously with a second full-time audiologist and a team of 4 ENT physicians. We have dedicated audiology support staff and an excellent work environment. Our practice is growing and we have recently started a cochlear implant program and plan to develop a more comprehensive pediatric and vestibular program in the future.

Excellent compensation and benefits are being offered. Benefits include: 401k, profit sharing, health insurance, paid license and organizational membership dues, vacation and sick leave. Contact Ginia Hauf at (406)752-8330 or submit a cover letter, resume and salary expectations to:
