

My name is Eva Schwander and I am the secretary to the Director of Special Education with the Collinsville Unit #10 School District in Collinsville, Illinois. We are currently looking for a hearing impaired teacher to fill an opening in our district and we hoping you might know someone who was looking for employment. I would appreciate anyone you might know with contact information and maybe we can fill the position before the 2017/2018 school year. Thank you in advance for your help.
