AUDIOLOGIST NEEDED IN LAKE CHARLES, LOUISIANA

ABOUT THE PRACTICE
The Hearing Center of Lake Charles, Inc. has served the Lake Charles, LA area and its surrounding communities since 1987. The range of services we offer includes comprehensive hearing and balance diagnostics and rehabilitation including a state-of-the-art hearing instrument dispensary. We strive to engage best practices at every level and believe that perfection is a continuous process. Excellent patient outcomes are our ultimate goal in hearing and balance care. The Hearing Center of Lake Charles prides itself on staying ahead of the curve in the fast changing hearing care landscape.

ABOUT THE POSITION
The Audiologist is responsible for all activities within the scope of practice for Audiology in Louisiana and includes diagnostics, rehabilitation, hearing instrument dispensing and patient education as well as preventive hearing care services. Applying candidates need to be conversant in all areas of audiology and be able to practice independently with confidence.

Qualified candidates must be Doctorate level Audiologists appropriately licensed in the state of Louisiana. Interested candidates may submit application materials to careers@fuelmedical.com.

ABOUT LAKE CHARLES, LA
Lake Charles is a lovely, history-rich town that offers a variety of interesting amenities! Affordable, unique housing options; an adorable downtown complete with interesting sidewalk art; and wonderful parks and schools make this a great place to raise a family. The nightlife offers plenty of possibilities for kicking back with some live music and adult beverages, dancing the night away or testing your odds at one of the casinos in town. Looking for outdoor activities to partake in? There are multiple golf courses, well-lit running trails, fishing, boating, bird watching, crab hunting and numerous farmer’s markets where you can sample the local foods. If you’re looking for a small but growing town with safe communities in which to raise a family, Lake Charles may be the place for you!
