Keystone Area Education Agency is seeking an audiologist to provide educational based audiology services as part of our special educational support team.

Candidate must possess a minimum of a Master’s degree in audiology along with endorsement by the Iowa Board of Educational Examiners as a school audiologist or licensure as an audiologist by the Iowa Department of Health and a Statement of Professional Recognition from the Iowa Board of Educational Examiners. (For more information visit http://www.sate.ia.us/boee)

In addition to the academic and technological skill sets necessary for consideration, the ideal candidate is one who routinely demonstrates excellence in a general skill set of communication, interpersonal relationships, problem solving, and intrinsic motivation.

Position will be out of our Dubuque office and may have a start date of March 5, 2018 or August 15, 2018. Position will be contracted for 193 days annually. A competitive salary and benefit package shall be offered commensurate with qualifications and experience.

Please complete an online application by visiting our website https://www.aea1.k12.ia.us/ and clicking on the employment tab.

Keystone Area Education Agency is an Affirmative Action / Equal Opportunity Employer. We seek and appreciate diversity in our applicants.
