Position: Itinerant Intervention Specialist for the Hearing Impaired

Employer: Stark County Educational Service Center

Responsible to: Director, Student Services

Salary/Benefits: Based on training and experience
Full time, 185 day contracted position

Minimum Qualifications:
1. Bachelor’s degree in Education with Special Education teaching certificate for Deaf Education
2. Current Ohio teacher license, Certified K-12
3. Certification for Deaf Education
4. Experience with hearing assistive technology devices
5. Experience teaching/working with children and families (in an educational environment) with hearing impairments and/or multiple disabilities using a variety of communication methods

Preferred Qualifications:
1. Master’s degree in Education with licensure as an Intervention Specialist for the Hearing Impaired
2. Experience with Oral Education/Listening & Spoken Language

Expectation: Perform work associated with providing intervention and support to children who are deaf/hearing impaired in partnership with school districts by providing evaluation services, direct services using evidence based interventions and skilled techniques, consultative services to school personnel and families, support to educational staff, collaboration with team members in assessment and delivery of services, and advocacy for students and families.

Interested applicants should send a completed “Certified Employment Application” (found on the Stark County Educational Service Center website), along with a letter of interest, resume, copies of all license(s)/certificates, list of current references to include past supervisors, and copies of official university transcripts to:
