Join a Company That gives back to its community!
Did you know that the Miracle Ear Foundation has donated over 13,000 hearing aids to over 7,500 children and adults nationwide? At Miracle-Ear®, we want to do everything we can to help those in our St. Louis community who need hearing healthcare but cannot afford treatment. The Miracle-Ear Foundation® is designed to support underserved Americans with a limited income and no other resources for hearing aids, such as insurance, Medicaid, VA, or other state or federal programs. Our goal is to double the number of hearing aids we donate to children and adults in our communities in 2018.

Please join us in this goal by becoming a Miracle Ear Audiologist TODAY!
