The Opening
The San Diego County Office of Education is recruiting for a Special Education Teacher, DHH-Infant/Toddler for the HOPE Infant Family Support Program. The Special Education Teacher, Deaf/Hard-of-Hearing – Infant/Toddler provides special instruction focused on promoting caregiver-child interactions within the context of everyday activities and routines as the foundation of effective early intervention for infants and toddlers who are deaf or hard-of-hearing and may have other developmental delays or disabilities.

Special Education Teacher – DHH – Infant/Toddler
The Special Education Teacher, Deaf/Hard-of-Hearing – Infant/Toddler is the primary service provider who meets with families regularly to collaborate on intervention strategies that address IFSP outcomes in the context of everyday routines. The Special Education Teacher, Deaf/Hard-of-Hearing – Infant/Toddler, along with the support of other team members, assists the family to implement intervention strategies and meet the needs of their child.

HOPE Infant/Toddler Special Education

HOPE Infant/Toddler Special Education is a public special education program that offers services to infants and toddlers with special needs and their families. As part of California Early Start, the San Diego County Office of Education provides quality early intervention services through the program at no cost to families.

The HOPE staff support each family to:

- Explore ways to play and interact to promote their child’s development.
- Discuss issues relevant to their concerns, priorities and resources.
- Connect with other families of children with special needs.
- Incorporate learning opportunities into daily routines and activities.
- Access other services.
