**Private Practice Opportunity!**

Hearing Doctors of Illinois (in association with Hearing Doctors of Iowa) is hiring an audiologist in West Central Illinois. Serving exclusively an adult patient base with hearing diagnostics and hearing aid dispensing, fitting and follow-up care, we offer incentives for growth, a competitive benefit plan, and a high base salary.

Qualified candidates have a doctorate or master’s degree in audiology and the appropriate licensure to practice and dispense in Illinois and Iowa or are eligible for licensure. Candidate must possess clinical independence and the desire to integrate into the community and seek out opportunities to grow the position to its’ fullest potential. The desire to help the communication needs of every individual with compassion is a must. Motivated new graduates may apply!

**About the Practice:**

Hearing Doctors of Illinois is an extension of Hearing Doctors of Iowa, which is a Des Moines metro-based practice with three locations. As an independent private practice, providers enjoy flexibility in selection and fitting of hearing instrument manufacturers and the provision of state-of-the-art equipment for performing best practices in all diagnostics. The practice is owned and operated by an audiologist. Support and teamwork are highly valued in our tight knit team. As such, it is desirable for the candidate to have the ability to travel between the Iowa based and Illinois based clinics at a minimum of once quarterly for meetings and coverage as needed for special events. The culture of the practice supports professional care for our patients by providing high quality tools and resources for staff, in an enjoyable atmosphere with an unmatched work/life balance. The location of the Illinois practice will be shared with qualified applicants. Relocation Assistance, negotiable.
