Dear Colleagues and Professors,

As your students prepare to graduate this Spring, please inform them of abundant opportunities to work as Itinerant Teachers of the Deaf throughout the state of Arizona! Arizona’s system of service delivery is managed through the Arizona State Schools for the Deaf and Blind, which operates five regional cooperatives to provide services to Deaf and hard-of-hearing students who are educated in their home school districts. As the Director of the Desert Valleys Regional Cooperative, who serves the Phoenix area, I am constantly on the look-out for certified Teachers of the Deaf to serve our 325 (and counting) DHH students in the Phoenix area. Our cooperative employs 19 TODs and we have 2 unfilled vacancies. What’s unique about our program is that our Itinerant Teachers have opportunities to collaborate with each other on a regular basis – a very unique working environment for itinerant teachers!

If interested, candidates may apply at www.applitrack.com/asdb/onlineapp/. We look forward to enticing your graduates to consider a career with ASDB!

Best Regards,

**Faye Miller, PhD, Director**
