Dear Prospective Educator:

_Do you love small class sizes?_
_Do you value opportunities for professional growth?_
_Do you have a passion for teaching students with disabilities?_
_Do you appreciate tuition reimbursement options for earning certifications?_
_Do you desire to be acknowledged and supported by your school and district leaders?_

**Then we want YOU!**

Louisiana’s Special School District (SSD) is currently seeking motivated, qualified, and highly-skilled teachers for several schools in our district. Our schools serve students with low-incidence disabilities, including, but not limited to: deaf, hard of hearing, blind, and visually impaired. We strive to create an educational environment that encourages students to become more literate and analytical thinkers, and one that promotes teachers who provide unique opportunities to create pathways for success.

Immediate vacancies include:

- middle and high school ELA, math, science and social studies teachers
- early childhood teachers
- teachers certified in hearing impaired and visually impaired
- elementary teachers certified in oral and American Sign Language

We pride ourselves in offering one of the highest and most competitive salaries in the state. As an employee of the SSD you will receive excellent benefits including, but not limited to: post-secondary and certification tuition reimbursements, tutoring salaries, state employee benefits, and more! The SSD also offers:

- smaller class sizes;
- relocation packages for those who qualify;
- performance pay incentives;
- one-on-one mentorship programs; and
- paid certifications.

If you are interested in joining our team, email careers@lsdvi.org today to learn more about our vacancies and programs.

_The SSD was established by the Louisiana Legislature and serves over 1,800 students annually across Louisiana. Our schools include the Louisiana School for the Deaf and the Louisiana School for the Visually Impaired. Our mission is to provide compassionate, collaborative, and innovative educational opportunities for students with low-incidence disabilities, meeting each student’s unique needs._
