TWO Private Practice Providers Needed in Northwest Missouri!

Passionate, Professionally Driven, Personal Integrity!

Do you enjoy making a difference in the lives of others? Do you want an opportunity to come in, showcase passion, have a voice, and be part of an amazing team? If you answered yes to either of these questions, we want to hear from you!

The Company:

Hearing Care Partners is an independent private practice that’s passionate about supporting the communities in Missouri. Being in the field of hearing care, we pride ourselves in providing the very best quality hearing healthcare within private and medical communities. We are a close-knit practice that treats each other with respect. We work hard at delighting patients but also focus on the team. Our local community is very important to us and we work to make sure we are always providing the best in hearing health care.

- We work together as a team to create an environment that makes people comfortable. We focus on taking care of both our patients but also those we work with.

The Position:

We’re seeking an individual who is personable and naturally friendly, detail oriented, bright and inquisitive, and an excellent communicator.

The provider is the key in any patient relationship. Responsibilities include:

- Administer adult hearing assessments
- Program and fit hearing aids using real ear electroacoustic measures
- Manage growth of patient pipeline
- Participate in community outreach
- Support Tinnitus treatment component of practice
- Provide ideas for improving/expanding patient care

The Location:

Located just 90 miles northeast of Kansas City, MO, Bethany and Chillicothe are nestled in beautiful northern Missouri off Interstate 35. Being close to Kansas City ensures that there is always plenty to do. Northern Missouri is a community that offers endless possibilities. Whether you enjoy the city life or prefer something a little more relaxed, Bethany and Chillicothe offer something for everyone. Travel days include Maryville, Cameron and Marshall, Missouri.
Qualifications:

- Au.D./Master’s degree in Audiology/Hearing Instrument Specialists licensure
- Excellent interpersonal skills, to include listening, sales and problem solving

Why Should You Apply:

- You’re passionate and want to make a difference in people’s lives
- Excellent growth opportunities
- Hands on training provided to set you up for success
- You have the opportunity to interact with wonderful patients!
