Nine East Network is hiring for fall of 2019. We are looking for qualified consultant candidates to work in various regions throughout the state. Deaf and Hard of Hearing (DHH) consultants provide support to school districts for children aged three through high school graduation. This support may include:

- Participate as an educational team member for students with hearing loss,
- Develop instructional strategies,
- Observe students and recommend classroom accommodations,
- Conduct in-service training with school personnel,
- Manage student’s hearing assistive technology (HAT),
- Conduct specialized DHH assessments.

Candidates must have a Masters degree, be licensed (or obtain a VT license) as a Teacher of the Deaf, Speech Language Pathologist with training/or experience working with deaf and hard of hearing children, or Educational Audiologist.

Please reach out if you have questions!
