Location: West of Atlanta, GA (Powder Springs/Smyrna area)
Dates: 07/31/2019 – 05/29-2020
Hours: Full-time, 32.5 hours per week
Caseload: Elementary – top performing site for this district
Support: Classroom paraprofessionals, ASL interpreters, and mentorship and continuing education*
Requirements: Masters of Education in Deaf Education/Studies and Georgia License**
Preferred experience: Pediatric, experience teaching subject matter, ability work within a team/communication skills

*Mentorship and continuing education can be provided for those newly graduated teachers who have less direct subject matter teaching experience!
**Reimbursement will be provided for the Georgia license – assistance from the district to gain license will be provided.

Travel stipends for meals/housing will be provided for this position. This is a 190 contract – 10 extra days of teacher planning time is included for those interested in continuing education opportunities! This is a great district with a friendly and supportive staff.

I live in Atlanta and love it! Atlanta is a melting pot of culture and diversity and I would recommend it for anyone who considers themselves: a foodie, outdoorsy, music lover, beer snobs, dog park lovers, and so much more! I would be happy to speak with anyone interested in Atlanta, but not quite sure what areas to look into!

Thank you for your help with this!
