

## MINOR IN SPEECH AND HEARING SCIENCES

**Washington University School of Medicine  
Program in Audiology and Communication  
Sciences (PACS)**

*2021-22 Academic Year*

### REQUIREMENTS:

The minor requires a minimum of 15 units that focus on the study of speech, language and hearing, of which 3 hours must be PACS 234. Of the 15 hours, at least 9 units must be at the 300 level or higher and at least 9 units must be offered by the department (M89). Courses to count toward the minor must be selected from the courses listed below or approved in advance by the minor adviser.

For more information, please visit <https://bulletin.wustl.edu/undergrad/artsci/speechhearing/#minors>.
